Unit Highlights

Visitors to this district can enjoy panoramic views from the shores of Kincaid Lake. The Kincaid Lake Recreation Area provides swimming, boating, picnicking, hiking, camping, and biking. Some activities are available year round. In the spring, the dogwoods and wild azaleas are spectacular. In the fall, the mixed hardwood-pine forest provides wonderfully contrasting scenery. The Kisatchie's resident eagles may be spotted along the shore of Kincaid Lake or viewed year round on your cell phone at www.tiny.cc/knfeagle.

Surrounding Areas

Valentine Lake, which was constructed by the Civilian Conservation Corps, offers a beautiful setting for picnicking and fishing. Bikers and hikers can enjoy numerous trails around Kincaid Lake. The Wild Azalea National Recreation Trail's 26-mile length offers day hikes along several segments or a two-day hike for those who want to get away for a while. The Claiborne Multiple-Use Trails offer over 88 miles of motorized, horse, hiking, and biking use.
